

You can make their season bright!

Imagine waking up on Christmas morning in a safe place, but separated from home, family, and friends. How much joy would you feel to find presents - with your name on them - nestled under the tree?

You can brighten the holidays for the teens (ages 12-17) of Youth Home by adopting a Dove Tree. These small Christmas trees are decorated with ornaments representing frequently requested items. Please consider buying some gifts to bring a little bit of magic into a child's life this holiday season!

For 50 years, Youth Home has pursued its mission to equip and empower youth, adults, and families to become healthier contributing members of the community by providing compassionate emotional and behavioral health care.

To learn more about Youth Home, Dove Trees or to arrange pick-up of items, please contact **Stephanie Jonasson** at 501.821.5500 x212 or visit YouthHome.org.
