

You can make their season bright!

Imagine waking up on Christmas morning safe, but separated from home, family, and friends. How much joy would you feel to find presents with your name on them - nestled under the tree?

You can brighten the holidays for the teens (ages 12-17) of Youth Home by adopting a Dove Tree and donating the items represented on its decorative gift tags. Every gift is a reminder to each child that he or she is cared about while they receive mental health care through Youth Home's programs.

Trees and unwrapped gifts will be collected by December 12, 2018. Donations can also be delivered to Youth Home at 20400 Colonel Glenn Road, Little Rock. For questions and info, please contact Stephanie Jonasson at Stephanie.Jonasson@YouthHome.org or 501-821-5500 ext. 212.
